**An Offer to your Community Organisation or Club**

A Chairde

We believe that we can help you raise over €1,000 for your organisation! Here at St Josephs we pride ourselves on being able to do a good job at hosting a table quiz, be it for ourselves or others. In recent times we have seen some other organisations ask us to help out with the running of their quiz and we want to let you know that this is something that we are only too happy to do. **At one point in 2015 we hosted four quizzes over the space of 2 months, with the average number of tables being in excess of 22 and they on average cleared over €1,300 each!!**

What we are offering to do is take care of all the logistics of running the quiz. All that you have to do is get the people there! Just 25 people each bringing a team of 4, paying €10 a head is €1,000 in the bank, before you hold a raffle! It is easily done, if done right and we are willing to help. Of course we have facilities amenable to running a quiz, but we can also do the following for you as well:

- Prepare all Quiz Questions (and tailor them to suit you)
- Provide a choice of three experienced Quizmasters
- Offer the pretty unique audio round!
- We have an excellent PA system
- Live Leaderboard on TV Screen
- We can provide the Collectors and Correctors
- Aid with the Publicity on our email system, facebook and twitter accounts. We can even design poster for you if you wish
- We can provide Raffle tickets and sellers
- Offer light refreshments at half time
- Prize for Best Team Name (round of drinks courtesy of the bar)

If there are any of these areas that you don't want to avail of assistance with, then that is fine, this is what we offer and you can choose to use all or none of these facilities. But we would please ask you to consider using us if you are holding a table quiz.

We are looking to try and run on average one quiz a month this year of 2016. Will you be one of those quizzes? We have already hosted a hugely successful quiz for the Tidy Towns, where they had 27 tables competing! We have three more quizzes currently lined up for the end of February, March and April. Come along to them and see what we can do. A member of the committee will be in contact with in the coming weeks to discuss how we might be able to help you, but if you have any questions in the meantime please do not hesitate to contact.
